So **WHY** support Sheridan House? *Let us show you...*

The mission of **Sheridan House Family Ministries** is to honor Christ, by serving the needs of children and families. Sheridan House is committed to offering our community services, which give children and families the opportunity to reach their full, God given, potential; opportunities that might otherwise not be available due to impeding circumstances in the home.

Sheridan House operates on:

- Fundraising Events
- Donations given by individuals, churches, foundations, and corporations
- Gifts collected through Legacy Giving

Without the support, people will not be able to receive the help they need.

Come and see what God has done: He is awesome in His deeds toward the children of man.

- Psalm 66:5

Transitional Housing

Sheridan House currently has (14) units for single moms and their children in our transitional housing program, and plans to add an additional (10) units by 2026!

 Future Single Moms Duplexes

Single Moms Program

Our goal, as we serve single moms living in South Florida, is to give them a hand up so they can be independent women, equipped to positively contribute to society.

We strengthen hardworking single moms by providing:

- Transitional housing and biblical financial counseling (40% have a credit score below 600 and 70% want financial counseling)
- Scholarships for higher education and counseling services
- Parenting, job-training classes, and financial advising (#1 need for these moms is a parenting curriculum)
- Networking opportunities to foster relationships for emotional and spiritual support
- Food, clothing, basic needs, and participation in special ministry events

Financial counseling session

Over 250 single moms and families receive assistance each month.

Residential Homes for At-Risk Youth

This program focuses on mentoring boys to live with character, and it trains them to take personal responsibility for their actions. Our highest objective is to introduce them to a saving relationship with Jesus Christ.

Your gift helps young men reach their God-given potential!

A Miracle in the Residential Program

Andy was angry, defiant, and acting out. He blamed mom for his dad leaving them, so he gave up on school to get back at her; he had a 0.25 Grade Point Average (GPA). Mom didn't give up on him and instead brought him to Sheridan House.

The staff supported them both, and Andy flourished! He graduated with a 3.83 GPA (That's an increase of 3 letter grades!) He also improved his behavior as he and his mom now communicate well and enjoy spending time together!

Counseling Centers

Relationships are hard since they're made up of people, and people make mistakes and bad choices. In the midst of this, there is hope! The Sheridan House Counseling Centers are here to help with the challenges we face in this world. The licensed therapists provide thousands of counseling sessions every year. Because of generous funders and God's faithfulness, nearly 80% of these were given at a free or highly-reduced rate. We aim

to help children and adults to overcome barriers they face. As the therapists provide professional counseling with a Biblical worldview, we hope for the clients to be able to process the incidents they have gone through so they can heal before making negative decisions that will affect them long-term. One center is in east Fort Lauderdale and the other at Sheridan House's main campus in Davie. Call the Counseling Centers (Mon.-Thurs.) at 954-880-9595.

We support men, women and children by:

- Helping those facing spiritual, emotional, and physical barriers
- Providing hope to families and individuals who believe there is no end to their struggle
- Offering tools necessary to overcome past traumatic experiences
- Helping men, women, and children before they make negative decisions that affect their futures

How can you positively transform lives forever?

*Estimated average annual return from the Sheridan House endowment fund. Our goal is \$20 million by 2035 to provide operational funding for the boys homes and the single mom village in perpetuity.

Sheridan House Board and Leadership is establishing a \$20,000,000 endowment fund that assures the operational funding of our residential program for boys. Costs to keep the three residential boys' homes continue to escalate now that the program provides a full in-house educational school. **Would you prayerfully consider a commitment to funding this meaningful endowment** to assure generations of young boys who need the help will have it available beyond our ability to imagine?
