# The IMPACT of Sheridan House

Dear Amy, Jamie, and the rest of the Sheridan House Staff,

I am writing with a heart full of gratitude and appreciation for the incredible impact that Sheridan House has had on my life during the seven years I was part of your Single Parent Ministry.

Reflecting on these past years, I am overwhelmed with gratitude for the invaluable support, guidance, and resources that you provided. The classes I attended were not just informative but transformative, teaching me about financial responsibility, credit management, and the potential for growth despite challenging circumstances.

The knowledge I gained through these classes, coupled with the spiritual mentorship and the

camaraderie with other incredible single moms, became a cornerstone for me. It was during this time that I discovered the first-time homebuyer program through a fellow mom, which eventually allowed me to move from a rented room to owning my own condominium within just 2.5 years of being on the program.

Your program has been a lifeline for me, providing essential support in various aspects of my life. The food pickups ensured that my family had access to healthy meals, the boutique allowed me to dress stylishly, and the Christmas toy drive and back-to-school drive eased the financial burden associated with the holidays and the start of the school year.

**I want to give back in the same spirit of generosity and kindness that was extended to me.**

I cannot express enough gratitude for the volunteers who treated me with kindness and respect, making me feel like royalty. Your organization provided not just material assistance but a sense of community and dignity that made a world of difference in my life.

As I embark on this new chapter of my life as a married woman, I want you to know that Sheridan House was a crucial part of my journey. It was a temporary stop in God's plan for me, and I truly believe that your organization played a significant role in preparing me for the blessings that have unfolded in my life.

While my time as a participant in the program may be over, I am eager to give back and pay it forward. Once I am settled into my new role, I plan to reach out to volunteer and contribute to the Sheridan House community. I want to give back in the same spirit of generosity and kindness that was extended to me.

To the single moms entering/still in the program, I want to share a message of encouragement. Growth and finding independence are processes that take time. Be patient, stay the course, and trust the journey. Sheridan House has laid a foundation for you, and with perseverance, you will undoubtedly reach your goals.
