HOPE AND HELP**

SHERIDAN HOUSE

Honoring Christ by Serving the
Needs of Children and Families

Dear Sheridan House, My story begins when I arrived in the United States a few years ago.

Three days after we arrived in Florida, my husband abandoned me and my two-year old daughter and told me to return to my country. Without legal papers to work, without transportation, without a home and without any hope, God made the impossible become possible! Through his wonderful mercy, compassion, and love, he used the amazing ministry of Sheridan House.

I heard about Sheridan House from a friend of my aunt. I was able to receive a few counseling sessions from an amazing and Godly woman which was a huge blessing for me emotionally and spiritually. She reminded me that God had a plan and I needed to keep my focus on my Heavenly Father.

A few weeks after my counseling sessions, I was introduced to Amy at Sheridan House, and she immediately plugged me into the single mom program. I was able to get food and clothing for both me and my daughter. Despite not having employment at that time, my refrigerator was

always full of healthy food which was a tremendous blessing during a very uncertain time.

For almost three years I couldn't get the proper paperwork to be able to work and I was running out of money. After receiving my paperwork, I was able to afford a car and I found a job, and then my daughter started kindergarten! All of this happened at the perfect time because we have a perfect God that knows and provides what we need!

Even though I was able to get a car and I had a decent job, we were still struggling to find stable housing. That all changed when I got a very special phone call from Amy! Amy called to tell me that construction on a new single mom triplex was

almost complete, and she was considering me for one of the units. I couldn't believe it; It was all God's plan, and He had the perfect home for me and my daughter.

I moved into the unit, and it felt like a dream! Our new home was beautiful and safe, and I felt tremendous peace when we first entered the unit. Sheridan House even provided fancy and unique furniture for my daughter's bedroom;

it was so amazing! We moved in just before Christmas and we had the most amazing Christmas ever. Sheridan House provided me with a Christmas tree, new presents for my daughter and a delicious meal.

I wanted to write this letter to give my thanks to the incredible team at Sheridan House who use their time and talents to help people like me in God's name and for God's glory. I also wanted to write this letter to all the friends and donors who
