## We are inviting you to the building dedication and auction at our new Family Training Center (FTC),

a 10,000 sq. ft. multi-purpose facility designed to enhance our core programs and community engagement efforts. The FTC

will primarily serve as a versatile venue for hosting events, speaking engagements, and community seminars. It will provide essential classroom space for our Residential Behavioral Boys Program, allowing for on-site education and behavioral support. Additionally, the FTC will be instrumental in delivering training sessions and workshops for our Single Mom Program, offering a dedicated space for these critical activities.

## Single Mom Update

*from our transitional housing program!*

A single mom with two children moved in 11 months ago. Because of Doris' very busy schedule she was spending over \$1,000 per month eating out. The convenience of fast-food restaurants had become a budget killing habit. With Amy's help, she's now learning how to prepare meals for the week on Sunday afternoons. Doris has a very good job, but she wasn't managing her resources well.

### **There was no plan. Now there is!** **Here's where she is after 11 months:**

- FICO score went from 590 to 710!
- The higher credit score reduced her monthly auto insurance from \$250 to \$180.
- Credit card debt has been cut in half (from \$26K to \$13K).
- The goal is to retire the balance of credit card debt by the end of 2024 and start aggressively saving for the future.
- She's on track in just 24 months to go from \$26K in debt and poor credit to \$30K in savings and stellar credit. Financial freedom!

# FAMILY ESTATE PLANNING WEBINAR

One of the greatest responsibilities we have as a husband, wife and/or parent is to provide for and protect our family. Most of us do a pretty good job protecting our family, but what happens when we are not here? Who can legally make health care decisions for you if you are incapacitated? Who do you want to care for your children, your pets, and assets if the Lord takes you home early? How can you be sure your directives to these questions are executed?

**FREE live  
One-Hour  
Webinar from  
your own  
living room.**

The Webinar explains how probate works, the events that are triggered, and how to protect your family from probate. The host thoughtfully explains information on wills, trusts, advanced healthcare directives, guardianship of minor children, and other areas related to estate planning issues.

**Register Here**

The next webinar for 2024 is scheduled for Monday, Oct. 28th at 7:00 p.m. and advance registration is required because they will need to email you a secure private link. Registration is easy—just send an email to [info@sheridanhouse.org](mailto:info@sheridanhouse.org) and we will send you the link to register for the Estate Planning Webinar or scan the QR code to register.
