Opened in 1926, The Hotel Jacaranda is like stepping back in time (or, for Jack Pelkey – it's like re-living your youth). Recently restored, it is a registered historic landmark whose character is beautifully intact and quite fun. Famous guests include Babe Ruth, Clark Gable and George Burns among others whose photos adorn the halls. We stayed at this hotel for the men's retreats in 2019 and 2024.
