**SHERIDAN HOUSE** Honoring Christ by Serving the Needs of Children and Families

## The food pantry at Sheridan House plays a VITAL ROLE

in supporting single mothers and their families in the community.

By providing access to food, the pantry alleviates some of the financial burdens these mothers face. Many single moms often juggle multiple jobs while trying to make ends meet, and the food pantry serves as a crucial resource that allows them to redirect their limited funds toward other essential needs, such as housing, education, and healthcare. This support is especially important

in today's economy, where rising costs can make it challenging for single-parent households to thrive.

Thanks to the generous donations from local supermarkets, churches, and individual

donors, the pantry is well-stocked with a variety of food items, ensuring that families receive balanced meals. This continuous influx of resources not only addresses immediate

food insecurity but also fosters a sense of community. It allows us to check in with the moms regularly, keeping us updated on their well-being, any challenges they may

be facing, or even celebrating their successes and personal testimonies. These interactions create a supportive environment

where relationships can flourish, and the mothers feel valued and understood.

Moreover, the pantry provides an opportunity for our staff and volunteers to come alongside the moms, offering

encouragement and prayer. This holistic approach extends beyond just food assistance; it nurtures emotional and spiritual well-being, reinforcing the notion that no one has to navigate their struggles alone. The food pantry at Sheridan House is more than just a place to collect groceries; it is a beacon of hope and a testament to the power of community collaboration, demonstrating that together, we can make a meaningful difference in the lives of those we serve.

**This past summer, Sheridan House partnered with the National Women in Roofing Association for a special empowerment career workshop.** Single moms from the ministry were provided new headshots, business attire, along with resume and social media guidance. Even more exciting was the opportunity to be matched with partnering companies for a job within the roofing industry! Kelli, one of the single moms who attended the event, has a background in the construction industry and connected with the association after the event in search of full-time employment. How awesome that Kelli was recently interviewed and hired by a local roofing company! Kelli says, "I am forever grateful for the kind hearts and those who went the extra mile to help me get this opportunity!" Sheridan House is so thankful for the hundreds of local businesses that support and bless our ministry, allowing us to provide services to families in need. To God be the glory!
