**SHERIDAN HOUSE**  
Honoring Christ by  
Serving the Needs of  
Children and Families

**There aren't enough words to express how thankful and grateful I am to Sheridan House for changing the life of my family.**

at Sheridan House. I reached out to the staff there and explained my situation. They were so helpful, caring, and understanding ... truly a blessing.

In November of 2021, a unit became available in the housing program. When I heard

the incredible news that I would be given the opportunity to move in, it was overwhelming. A huge weight had been lifted, and I knew that my son and I would now have a safe place to call home. We didn't have any furniture or much of anything but through Sheridan House, we were blessed with everything and so much more than we could ever imagine!

Throughout this journey, I have made many changes in my life. I have learned how to honor God with my finances by living below my means and saving for the future. Access to the Sheridan House food pantry has allowed me to learn how to cook more meals at home rather than eating out all the

time. Above all, I have strengthened my relationship with Jesus. Before I came to Sheridan House, I wasn't saved. I didn't even know where to begin with God. But Sheridan House showed me that I was missing the most important part of life. Since moving into the transitional housing program, I gave myself to Christ and dedicated my son to Him. It has been life-changing, and we now have a home church with an incredible support system.

The blessings didn't stop when we moved in.

### **Here is a short letter from Melissa, a mom in our program.**

My journey with Sheridan House began in the Summer of 2021. My son had just turned one, and we had found ourselves homeless. This was devastating and I just felt hopeless. We were able to stay with a co-worker temporarily, but I knew that I needed to find something more stable. Knowing our situation, a friend told me about the Single Parent Ministry

*I was given an opportunity to start working a better job that offers exactly what I needed most of all... time with my son.*

When I moved to Sheridan House, I was working at a job that wasn't conducive to being a single mom. I had to work nights and weekends thus missing out on a lot of time with my son. Recently, through a supporter and friend of Sheridan House, I was given an opportunity to start working a better job that offers exactly what I needed most of all... time with my son.

Also, the car I used to drive was always breaking down and constantly needed work. Any money that I had been saving always ended up going to repair the car. One of my financial goals had been to save up to buy a more reliable vehicle but it just wasn't happening. But once again, God had better plans. Thanks to an incredible donor at Sheridan House, I was given an amazing "new to me" car that has no mechanical issues! The worry about whether my car was going to break down on the side of the road has been lifted. Praise God!
