SHERIDAN HOUSE Honoring Christ by Serving the Needs of Children and Families

THE FAMILY VALUES 5K

It's that time of the year again for the Sheridan House Family Values 5K annual run/walk event!

Held right here on our campus in Davie, this event is dedicated to raising essential funds to help children and families throughout South Florida. This community gathering brings everyone together for a shared, faith-based purpose: to support our mission of serving the needs of local children and single-parent families, giving all the glory

to God. Funds raised through participant registration, team fundraising, and corporate sponsorships directly benefit our programs, including our boys' residential program and the single parent ministry, which provide essential care, guidance, and support for those we serve. The 2025 event marked our 17th annual race, where we raised \$229,000. Our goal for the 2026 event is \$240,000!

BOYS RESIDENTIAL PROGRAM HIGHLIGHT

This highlight is about a boy who came into our residential program in 2024 and stayed with us for one year.

When he first arrived, he was full of anger, acting out severely at home, disrespecting his father, and constantly defiant; his frequent outbursts had even got him expelled from school. His father was desperate for help.

After joining the Sheridan House program, the residential team began working with him, providing a supportive

environment for his emotional wounds to heal and for him to develop a personal relationship with God. Both goals were achieved, and he successfully graduated from our program.

During his time here, he discovered a passion for cooking while working in the kitchen with the house mom, asking her to teach him new skills. This newfound interest has blossomed, and he now prepares weekly meals for his family at home. Most importantly, because of the transformation God has brought into both their lives, he and his father now share a much improved and healthier relationship.
